AGREEMENT

I agree to comply with the Alpat Water Utility, LLC tariff and I understand that failure to comply can result in a suspension of water service. I agree to provide safe and unobstructed access to Alpat Water Utility representatives where access is required and to promptly pay all Alpat Water Utility bills that are due. I agree I will not obstruct my keybox and will maintain it in working order as required in the utility tariff. I understand that all expenses incurred in the repair of my keybox are my responsibility and that a \$95 disconnect fee and a \$95 reconnect fee will be charged if service is suspended for any reason. I agree the utility has the right to require installation of an approved back flow prevention device at my expense if it deems my commercial activities pose a potential threat to the Utility's water quality.
