AGREEMENT

I agree to comply with the Nikishka Bay Utilities tariff and I understand that failure to comply can result in a suspension of water service. I agree to provide safe and unobstructed access to Nikishka Bay Utilities representatives where access is required and to promptly pay all Nikishka Bay Utilities bills that are due. I agree I will not obstruct my Keybox and will maintain it in working order as required in the utility tariff. I understand that all expenses incurred in the repair of my water Keybox are my responsibility and that a \$65 disconnect fee and a \$65 reconnect fee will be charged if service is suspended for any reason. I agree the utility has the right to require installation of an approved back flow prevention device at my expense if it deems my commercial activities pose a potential threat to the Utility's water quality.
